*eNeuro* embodies an emerging scientific vision that offers a new experience for authors and readers, all in support of SfN's mission to advance understanding of the brain and nervous system.

*eNeuro* is an open-access journal of the Society for Neuroscience (eISSN 2373-2822). Published daily, it contains high-quality, broad-based, peer-reviewed research focused solely on the field of neuroscience.

Articles in *eNeuro* are published under the [Creative Commons Attribution 4.0 International \(CC BY 4.0\) license](https://creativecommons.org/licenses/by/4.0/). Per the terms of this license, it is not necessary to obtain permission or pay a fee to reuse *eNeuro* content, provided that a full acknowledgment is made to the original publication in *eNeuro*.

*eNeuro* is indexed by Scopus, EMBASE, PubMed, PubMed Central, and Web of Science/ESCI.

### Information for Authors

For current submission policies and manuscript preparation guidelines, authors should refer to our Information for Authors at <http://www.eneuro.org/content/information-authors>.

### Contact

For more information, please contact the Central Office at [eNeuro@sfn.org](mailto:eNeuro@sfn.org).

### Membership

Persons interested in becoming members of the Society for Neuroscience should contact the Membership Department at [membership@sfn.org](mailto:membership@sfn.org) or 202-962-4911.
