*eNeuro* embodies an emerging scientific vision that offers a new experience for authors and readers, all in support of SIN’s mission to advance understanding of the brain and nervous system.

*eNeuro* is an open-access journal of the Society for Neuroscience (eISSN 2373-2822). Published daily, it contains high-quality, broad-based, peer-reviewed research focused solely on the field of neuroscience.

Articles in *eNeuro* are published under the Creative Commons Attribution 4.0 International (CC BY 4.0) license. Per the terms of this license, it is not necessary to obtain permission or pay a fee to reuse *eNeuro* content, provided that a full acknowledgement is made to the original publication in *eNeuro*.

*eNeuro* is indexed by Scopus, EMBASE, PubMed, PubMed Central, and Web of Science/ESCI.

**Information for Authors**

For current submission policies and manuscript preparation guidelines, authors should refer to our Information for Authors at [http://www.eneuro.org/content/information-authors](http://www.eneuro.org/content/information-authors).

**Contact**

For more information, please contact the Central Office at eNeuro@sfn.org.

**Membership**

Persons interested in becoming members of the Society for Neuroscience should contact the Membership Department at membership@sfn.org or 202-962-4911.

The ideas and opinions expressed in *eNeuro* do not necessarily reflect those of the Society for Neuroscience or the Editors of *eNeuro*. Product mention in *eNeuro* should not be construed as an endorsement of the manufacturer’s claims. The Society for Neuroscience does not assume any responsibility for any injury and/or damage to persons or property arising from or related to any use of any material contained in *eNeuro*.
