

Correction

Correction: Yaple et al., Transcranial Alternating Current Stimulation Modulates Risky Decision Making in a Frequency-Controlled Experiment (eNeuro November/December 2017, 4(6) e0136-17.2017 1–10 <https://doi.org/10.1523/ENEURO.0136-17.2017>)

In the article “Transcranial Alternating Current Stimulation Modulates Risky Decision Making in a Frequency-Controlled Experiment” by Zachary Yaple, Mario Martinez-Saito, Matteo Feurra, Anna Shestakova, and Vasily Klucharev, which appeared as e0136-17.2017 in the November/December 2017 issue, 4(6), author Bhuvanesh Awasthi was inadvertently omitted from the author list. The authors apologize for the oversight. The corrected author list is as follows: Zachary Yaple,¹ Mario Martinez-Saito,¹ Bhuvanesh Awasthi,¹ Matteo Feurra,^{1,2} Anna Shestakova,¹ and Vasily Klucharev^{1,2}. Their affiliations are as follows: ¹Centre for Cognition and Decision Making, National Research University Higher School of Economics, 20 Myasnitskaya Ulitsa, Moscow 109316, Russian Federation, ²School of Psychology, National Research University Higher School of Economics, Armyanskiy per.4,c2, Moscow 109316, Russian Federation. The Author Contributions footnote should have read “Author contributions: Z.Y., M.F., A.S., B.A., and V.K. designed research; Z.Y. performed research; Z.Y. and M.M. analyzed data; Z.Y. wrote the paper.” This correction does not affect the conclusions of the paper. The 5th author has been added in the online PDF version.
