

Erratum

Erratum: Dingledine, Why Is It so Hard to Do Good Science? (eNeuro September/October 2018, 5(5) e0188-18.2018 1-13 <https://doi.org/10.1523/ENEURO.0188-18.2018>)

In the article “Why Is It so Hard to Do Good Science,” by Ray J. Dingledine, which appeared as 0188-18.2018 in the September/October issue, Richard Thaler’s name was spelled incorrectly throughout as Thayer. This correction does not affect the conclusions of the paper. The article has been corrected online.
