

Checklist for Submitting a Revised Manuscript:

Requirements are the same as for initial submissions, with the following additions.

Submission

Text/Tables:

- Manuscript file is in Word, WordPerfect, RTF, LaTeX, or Text format
- Separate [Title Page](#) to include any changes on author information, acknowledgements, conflict of interest, or funding sources
- Individual table files in Word format
- Each table is in Text format and in black and white; no images or color allowed

Figures/Multimedia:

- Each figure is in a separate TIFF or EPS file (≥ 300 dpi resolution)
- Each figure in either RGB color mode or Grayscale format
- Individual files are provided for multimedia (MP4)
- Preview image for each video (EPS or TIFF, ≥ 300 DPI) best capturing the main point
- All illustrations submitted at the size they should be published
- Graphs and figures do not have gridlines or top/right borders
- Select which whole figure should be used as the article thumbnail image and indicate choice on submission form

Visual Abstract (optional):

- Summary graphical image best capturing the main findings of the article in a separate TIFF or EPS file (≥ 300 dpi resolution)

License to Publish Form

- Sign the electronic License to Publish form once the revised manuscript is submitted. A link to the form will be available on the home page of <http://eneuro.msubmit.net> for each author, if the corresponding author does not sign for all authors.
